San Francisco, CA 94105

Attention: Sue Kiser

Attention: Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

With this letter, and pursuant to the authority delegated to me, I approve the following amendment of the Association of Monterey Bay Area Governments' (AMBAG) 2006/07 - 2008/09 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
3	State, Local and Transit Elements <ul style="list-style-type: none">Adds or modifies various projects from various funding programs in Monterey, San Benito and Santa Cruz Counties. The amendment includes projects with funding from the Transportation Enhancement Activities program, State Transportation Improvement Program, Congestion Mitigation and Air Quality (CMAQ) program, and various Federal Transit Administration (FTA) programs.

See Enclosure.

I am also recommending that the Federal Highway Administration and FTA approve this FTIP Amendment No. 3 for inclusion into California's 2007 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP, in fiscal years beyond the three-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are for information only. Please note that the approval of this amendment does not constitute eligibility determination for the projects from this amendment that are funded from CMAQ program.

The updated programming is for projects in air quality attainment area that is exempt from the conformity determination requirement. The financial impacts of this amendment are compatible with anticipated revenues in the FSTIP Financial Plan and do not significantly affect the overall financial analysis. These projects are included, and submitted by AMBAG, through the California Transportation Improvement Program System.

Gene K. Fong

In accordance with existing law, public involvement procedures are a part of the project selection process. AMBAG prepared this FTIP amendment under that process permitting citizens, affected local agencies, other public agencies, and other interested parties reasonable opportunity for comment.

Please address any questions on this FSTIP approval request to Abhijit Bagde, of my staff, at (916) 654-3638.

Sincerely,

ROSS A. CHITTENDEN

Chief

Division of Transportation Programming
